Is there a public health approach? She is soiled in feces and urine.

P.A.T.H. approached her today, she refuses any help. P.A.T.H. has approached this woman more than once. She will not talk to anyone and wants to be left alone. I did see her today and spoke to P.A.T.H. earlier this afternoon.

She's hanging on east side of Olive a lot between 6th and 7th. She's usually on west side of Broadway, just south of 4th in Blair's district.
